

When Was The Last Time You Went To Church?

...and got to wear exactly what you wanted?

VirtualChurch.com Church Wherever You Are

Chance and cathedral, lottery and leading are the features of VirtualChurch.com. The only church that gives a unique service to each visitor each time.

Each service is *different*, there are no two alike! When you click **START SERVICE** the computer will be guided to give you different elements of a service specially chosen just for you and no one else but you.
